

KBULG MEMBERSHIP

The Kalgoorlie-Boulder Urban Landcare Group, previously the Goldfields Dust Abatement Committee, has conserved and established native vegetation in the Goldfields for more than 30 years.

Due to past, present and future impacts and threats to the Kalgoorlie-Boulder environment, planning and promoting our activities and the need for conservation and rehabilitation of the Goldfields environment is given high priority.

KBULG aims to involve the community in all its activities and is committed to working with other community groups, schools, business and government to achieve its goals.
