New look KBULG

KBULG held a Strategic Planning Workshop in February 2002 to develop a new Vision and re-think the focus and direction of KBULG.

There was a good attendance from a wide cross section of the community. Some excellent ideas were put forward for some exciting new projects to take KBULG through the next 3 to 5 years.

The next stage will be to find members of the community to champion each of the projects and get teams together to work on the various projects.

Landcare Officer, Kylie Payne said she was excited about the changes and new direction that the group was taking. "We want to be relevant to the community and would like the community to take ownership of landcare and environment projects in the city."

Anyone who would like further information or who would like to be involved with KBULG can contact Kylie Payne on 9091 6233.

The next KBULG meeting will be held on Friday 1 March at 9am in the Lotteries House Committee Room, corner Wilson & MacDonald Streets.

CLEAN UP AUSTRALIA DAY!

This years Kalgoorlie-Boulder Clean Up Australia Day will be held on **Sunday 3 March 2002**. Registration will be from **8.00 - 11.00am** in the McDonalds car park, Boulder Road, Kalgoorlie.

If every person in Kalgoorlie-Boulder collected just one bag of rubbish each (that's potentially 30,000 bags of rubbish), the city would be a very tidy place to live!

This is a time when we can get together as a community to do our bit for the environment and clean up around our city.

A number of areas will be targeted on the day including the Hill in O'Connor, top end of Hannan Street, Yarri Road, Loopline Park and the Railway Reserve. The community is also invited to suggest areas that need cleaning up - for example your street or a nearby park.

PLEASE WEAR A HAT, GLOVES, SUNSCREEN AND STURDY FOOTWEAR.

Drinks and a McDonald's voucher will be available for the children and a sausage sizzle lunch will be provided for all participants after the Clean Up at Flanagans.
